Stay 5, pay 4, and soak up the silence and sublime tranquility of Mafia Island.**

Since our birth in 1998, we have been in a state of perpetual evolution as we believe in the importance of continual improvements, and we are always working on ways to make your experience of Mafia Island amazing.

From that day many things have changed at Pole Pole (we think for the better) but many have remained the same, especially the personalized service, the laid back atmosphere, the commitment to customer satisfaction and the respect for the local environment and culture.

As a special gift for the renewed Trip Advisor Award, we are delighted to invite our clients to stay longer so that they can truly benefit from the luxury of peace and serenity that Pole Pole has to offer.
